RACES & RACERS: IT'S MILLER TIME! "LADY DI" GOES GOLD AT NATIONALS!

Nature Valley NASTAR National Championships
March 20-24, Aspen/Snowmass

After the first day of racing, LSSC and OVSC Racing Director, Dianna (Lady Di) Miller was sitting in second. Great place to be, huh? But not good enough for our racing royalty. She knew she had to turn it on for the next day so she prepared (NO! She didn't give away her prep secrets!).

The next day dawned with a foot of new snow and it continued to snow off and on all day. Crazy conditions! Dianna entered the line up, said her prayers, breathed, and turned her fear into focus and **attacked** the mountain. She said she had so much speed going at that point she wasn't sure she'd be able to stop in the finish area.....The announcer called her time and she knew it was hers....The GOLD! Her response? "I threw my arms in the air and said, 'Thank you Jesus!'" Miller's time ended up being the fastest of ANY Gold Division female 21-59 years old! Smoking hot! Congratulations Dianna for a great season and a fitting end!

The winning run!

EUROPE AND LAKE TAHOE

While both groups just returned and we don't have full reports at this time, we have a little bit of information we can pass along. We will be posting full trip reports and pictures in May.

Europe: Several of the European travelers were stricken with flu and pneumonia. At least one club member, Terry R., had to return home early. Trip leader, Janet Jones, has ben diagnosed with pneumonia. We are hoping to hear better news from that group in time for the May newsletter. Get well soon!

Dan Geiger and friend remained well enough to ski in Zermatt, Switzerland. The Matterhorn is in the background.

See page 4 for Tahoe tidbits and photos.

Lake Tahoe: It was overall a good trip with fresh snow on Wednesday that helped with the sparse spring conditions. Unfortunately there was one very serious injury. Jim Sprow fell over a boarder, breaking two ribs and puncturing a lung (no injuries to the boarder). Jim's wife Meg flew out to be with him. Jim has been released from the hospital at South Lake Tahoe but had to remain out there until he was cleared to fly home on March 31st. Jim has been able to decrease the pain medication but it still hurts to cough or laugh. Keep Jim and Meg in your thoughts and prayers as he recovers.
