Spring Racing Successes 2015

LSSC racers Mark (Mad Dog) and Dianna (Lady Di) Miller participated in the NASTAR Nationals (March 19–22) at Aspen–Snowmass, Colorado.

NASTAR is the world's largest recreational ski program.

Avid skiers and snowboarders from 45 states participated. Lady Di earned top ranking in the Platinum Division and Mad Dog came in third. Congrats to the Millers! From the top of the podium Lady Di cheered on the UK CATS, true blue!
