Kim Collins - Camino de Santiago Trail

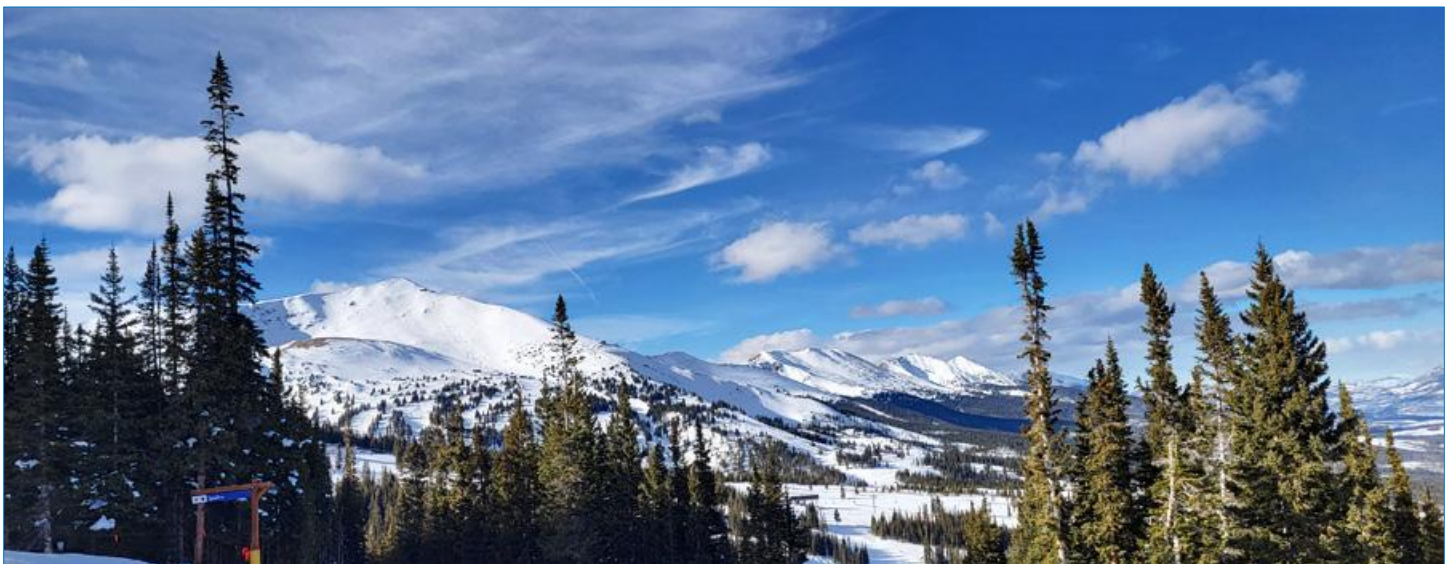

The Camino de Santiago, or the Way of St. James in English, is a network of pilgrims' ways or pilgrimages leading to the shrine of the apostle James in the cathedral of Santiago de Compostela in Galicia in northwestern Spain, where tradition holds that the remains of the apostle are buried. Pilgrims follow its routes as a form of spiritual path or retreat for their spiritual growth. It is also popular with hikers, cyclists, and organized tour groups.

David Bowery - Phone Photography Basics

Ski club members! As I have been asked to have a presentation about photography for the May meeting, I am inviting you all to send me pictures you have taken during this season's trips. I will be glad to edit them if you like, to produce images that could be made more appealing, hopefully to demonstrate easy techniques for photo enhancement. It can be a fun event, as our images are transformed from ordinary to eye-catching with a few slider adjustments already on your smartphone. If interested, get those pics to me ASAP. Looking forward to seeing you all again soon.

What is the OVSC?

The Ohio Valley Ski Council (OVSC) is your gateway to thrilling winter sports adventures and year-round global travel, uniting ski and winter sports enthusiasts across Ohio, Kentucky, Indiana, and West Virginia. Representing a network of member clubs throughout this region, OVSC brings together like-minded individuals who share a passion for snow skiing, snowboarding, and exploring new destinations.

As part of the National Ski Council Federation (NSCF), OVSC connects our member clubs with the latest in winter sports—from the top ski resorts and cutting-edge equipment to expert tour operators and essential travel information. Our council includes a dedicated team of executive officers, trip and race directors, and representatives from each of our member clubs, all working together to offer skiing and racing opportunities.

Each year, OVSC organizes a series of unforgettable trips that are open to all members of our affiliated clubs. These include North American ski adventures, an international trip that blends skiing with cultural exploration, and additional non-ski travel experiences. On top of that, each of our member clubs curate its own lineup of exhilarating ski trips, sports activities, and social events, ensuring there's always something exciting on the horizon.

One of the highlights of the year is our annual OVSC Summit, held in late spring. This event is a wonderful opportunity for all our clubs to come together, learn about the latest in skiing and snowboarding, connect with equipment and snow sports destination experts, and enjoy the unique charm of the Summit's location. It's also a chance to reconnect with old friends and make new ones.

The National Ski Council Federation's mission statement:

“Our mission is to strengthen councils, with industry participation, so they may better serve member clubs through communication, education and benefits, and to influence issues relevant to snowsports.”

By being a member of an OVSC club, you are entitled to the many benefits the NSCF offers. There are over 100 vendors, resorts, insurance, car rentals and more listed.

They also offer education on several subjects. This summer, they are having zoom meetings on the ever-changing landscape of group travel, and another on travel insurance.
