ABOUT VAL DI FASSA

The enchanting world of the Dolomites - ancient legends and myths characterise the famous pale mountains. Already some 40 million years ago those mountains were formed, which got their name from a limestone rock called dolomite.

And in between those mighty pale mountains lies the Fassa Valley, with a rich number of hiking trails taking you right to the heart of the beautiful natural scenery called Dolomites. The valley is characterised by the Avisio river and thanks to such famous mountains as the Sella Group or legendary Marmolada it is one of the most renowned Alpine valleys. Val di Fassa is by the way the only Trentino valley where the Ladin language is still spoken.

Winter turns Val di Fassa into a true skiing paradise. The ski areas of the valley are all part of the Dolomiti Superski area, the biggest association of ski areas all over the world. The lifts and gondolas are running even in summer which might come quite handy when embarking on long and challenging hikes across the mountains. Steeped in tradition, the valleys boast a very special flair. Enjoy true hospitality and get to know almost forgotten traditions and cultures...

THE SKI AREAS

9 ski areas - Marmolada/Pian dei Fiacconi, Alba/Ciampac; Canazei/Belvedere/Passo Pordoi; Campitello/Col Rodella/Passo Sella, Pozza di Fassa/Buffaure, Vigo di Fassa/Ciampedie, Passo Carezza, Moena/Lusia/Bellamonte, Passo San Pellegrino/Col Margherita/Falcade - 210 kilometres of pistes, 83 operating lifts.

Technical snow making guarantees more than 95% slope covering.

Links to the neighbouring ski areas, breath-taking views and a wide choice of refuges and places of refreshment for a 360° mountain experience.

IN THE NEWS

Spread the word...

In addition to business cards, we now have a club brochure (Example below) to help spread the word about our club. Please pick up some brochures and business cards at our next meeting. Hand them out to your friends and coworkers. Post them at your favorite hangouts. If you are unable to make it to a meeting, but would like some to distribute, or if you know of places where we can display them, please drop an email to TerryLCarrico@hotmail.com.

Our use of social media and online event calendars continues to grow. We post to 16 online event calendars and eight Facebook groups. If you haven't already, be sure to Like our Facebook page www.facebook.com/LexSkiSports. It also helps when you share our Facebook posts and events to other groups to which you belong. Our club is growing and with your help it will continue to do so. With skiing, like most things in life, the more the merrier. If you know of other calendar/event sites, Facebook group sites, or any other avenues to share our events, please email TerryLCarrico@hotmail.com.
