## MEMORIAL - JERRY ANDERSON

The LSSC family mourns the loss of our friend and immediate past president (2018-2019), Mr. Jerry Anderson. Together with his wife of 54 years, Barbara Fravel Anderson, Jerry was a long time member of the club. Many of us have special memories of shared ski trips, both in the United States and Europe, with Jerry and Barbara. Recently, their daughter Wendy participated in some club trips. There are many special ski adventures to remember but one that always stands out happened in 2002. Jerry and Barbara were finishing the day skiing in Cortina, Italy. They expected a bus would be coming around to pick up skiers since the lifts had closed. Unfortunately, no bus ever arrived and they had to walk back as darkness closed in!! Despite enduring a long hike back – greater than 1 mile - he always told the story with a smile!

Jerry enriched every conversation with his extensive knowledge of history, lifetime experiences living in Kentucky and great story-telling skills. He seemed to have an almost limitless supply of interesting anecdotes to share. In February 2019, he prepared a program, “Foundation of Our Constitutional Democracy: 1800 – 1803” for the LSSC meeting which was informative and greatly enjoyed by those attending.

His other sport activities included water skiing and biking in addition to snow skiing. He participated in the club walking and hiking events. He was still actively practicing law and enjoyed working on his farm outside of Lexington. Jerry will be greatly missed by all of us and we extend our deepest condolences to Barbara and his family.

## LSSC SPONSORS REST STOP

The LSSC sponsored a rest stop for the Bluegrass Cycling Club's famous

### HORSEY HUNDRED RIDE

On Saturday May 25, a group of intrepid LSSC members under the leadership of rest stop captain, Howard Glauert, provided food, water and a friendly smile to riders participating in Lexington's signature cycling event. Located on Lemon's Mill road, this is the busiest rest stop since all the mapped routes pass by. This year marked a record in participation with over 2600 cyclists representing 38 states and 4 countries registered. In addition to keeping up with providing cut fruit, sandwiches, ice, water, Gatorade, pickle juice (yes – pickle juice!) and numerous snack options,

this was *the* rest stop that provided ice cream floats!! A special team established themselves as the float experts and kept an assembly line of floats flowing to the VERY appreciative, and amazed, cyclists!! In addition to the hospitality activities, a few volunteers were enlisted for some nursing duties as several riders suffered from heat related ailments. Happily, the event concluded without any serious accidents or illnesses!

The LSSC banners and fliers informed a few surprised participants that Lexington has a ski & snow board club! Although it was a very warm & tiring day, the greatest benefit of volunteering is the chance to meet interesting people from all over the US (and beyond). Several members were there from setup (7:30 am) to tear down (6:30 pm) taking part in all 3 shifts!! Others decided to stay beyond their shift or even to the end of the day. A special thank you to our Captain, Howard, and to Terry Carrico who came prepared with everything anyone forgot to think of from hose nozzles to chairs to perks like music. The club also extends a special thank you and would like to recognize the following LSSC members who helped make the stop a great success!!! Howard Glauert, Terry Carrico, Janet Jones, Aggie Waninger, Randy Napier, Jim Blackwell, Dave Martin, Annette Riehle, Matt Durcan (King of the ice cream float squad) and Jennifer Tavitian.

Regretfully, the busy pace did not allow time to take pictures of all our volunteers but we did manage to catch a few members in action!

### **The Music of Queen!**

**Performed by the Lexington Philharmonic, featuring guest conductor Brent Havens**

Premiering in 2009, Windborne's Classic Rock Symphony show **The Music of Queen!** has quickly garnered critical and fan acclaim.

"Music from the albums Classic Queen, A Night at the Opera, Sheer Heart Attack, Jazz, News of the World, A Kind of Magic, The Works and many more are all featured in this show. As with all of Windborne's shows, the band stays as close to the original as possible while the orchestra soars through the tunes and adds that extra "something" that make Windborne's shows special."

Gates open at 6 p.m.; the show will start at dusk.
