Lexington Ski and Sports club is a group of local (bluegrass area) residents who love the sport of skiing and snowboarding and like to have the benefits of traveling with other of like interest to destination for Ski vacations in North America and Europe. We are a member of the Ohio Valley Ski Council ([Home - The Ohio Valley Ski Council \(clubexpress.com\)](http://clubexpress.com)) which is comprised of members from 15 ski clubs in the Ohio River Valley area. This membership allows us to participate in group trips to destinations at great value for our members. Your annual membership fee for the club (\$40) allows you the benefits of travelling on all club trips (subject to space availability) and participating in all social and local skiing activities with other club members.

Please plan to attend the season opening membership meeting at Roosters South Lexington location at 124 Marketplace Ave. (In the parking lot for the Nicholasville Rd. Walmart)

If you have any questions regarding the club or our activities, please reach out to one of the board members listed on this newsletter or to me.

President Tom O'Donnell president@lexskisports.org.

** Lexington Ski and Sports club is planning an international trip more details to come once we can secure a trip vendor.

*** We are planning to publish our North American Trip packages as "ground only", currently as we await group travel quotes from the airlines for winter 2023.

****Please plan to purchase trip insurance independently for any travel this coming winter as travel availability has still not stabilized. Many trip insurance policies provide the most coverage and best deals is you purchase within days of making your trip deposit. This is your option. Our trip vendors don't provide it.

We will remind everyone of this when trip signups begin.

GREY'S ARCH RED RIVER GORGE

JUNE 12, 2022

Six intrepid LSSC members set out for the Red River Gorge on Sunday, June 12th led by our outing leader, Tom O'Donnell. It was a beautiful morning for our selected hike to Gray's Arch (fabulous!) as well as the extension on the Pinch 'em Tight Trail. The route followed a beautiful creek...but there were some pesky gnats! We hiked approximately 3 moderate miles in about 2 and a half hours. We enjoyed lunch at the Rockhouse Restaurant in the Gorge before heading back to Lexington. Very enjoyable day...thank you, Tom!"
