SPECIAL MESSAGE FROM THE BOARD

2021 – 2022 SEASON

This is a social meeting only for those interested in gathering with snow sport friends. Nominations will be accepted for 2022-2023 board positions with the vote held at the April meeting.

We bring the 2021 - 2022 season to a close with the Banff trip February 19-26 and the European trip to Andorra March 4-12 (Portugal extension March 12-20). The season kicked off with Salt Lake City over New Year's and was followed by Beaver Creek. Both trips went well and were enjoyed by all who attended. The trip report for Salt Lake City follows – Beaver Creek to be included in the upcoming newsletter.

COVID-19 and its variants are still with us, and even vaccinated individuals can still contract the virus. Rooster's strongly encourages the use of masks for all unvaccinated patrons. Although there is currently no mask mandate in Kentucky, in observance of CDC guidelines and for the protection of our members and visitors, the board requests that everyone wear masks while inside (and not actually eating or drinking) and outside while in close proximity to others not in your household. Complimentary masks will be available at the sign-in table.

**** IF YOU DO NOT FEEL GOOD, HAVE BEEN RUNNING A TEMPERATURE, HAVE RECENTLY BEEN EXPOSED TO THE VIRUS, OR HAVE AN ACTIVE CASE OF COVID-19, YOU SHOULD NOT ATTEND THE MEETING THIS MONTH.**

NEWS FROM THE EXECUTIVE VICE PRESIDENT

Western trips for the 2021-2022 season are now complete and the European trip is about to begin. Local trips may still be scheduled as weather allows so watch the LSSC Facebook and Meet-up pages and your email inbox for trip notices.

The OVSC trips for 2022-2023 season have been determined: Taos, NM in late January, and Crested Butte, CO in late February. Please let the board know if you think that we should participate in these trips. Other Western trips as well as an International trip have not been determined at this time.

If you have a specific destination you would like to have the club visit next year, please forward your suggestions to one of the board members.

SALT LAKE CITY 2021-2022

Abundant snow fall welcomed LSSC members for a wonderful week of skiing and boarding. Two comfortable SUV's with ski racks allowed us to travel to several resorts, including Alta, Solitude, Brighton, and Snowbird. Although it was a busy holiday week, the advance purchase of parking passes assured entry on the busiest days. Amazingly, lift lines were not overwhelming. Trip participants included longtime club members Dan, Robin, Tara, Keith, Howard and Annette. We were excited to welcome new members John and his sons Tyler and John Clay. Snow conditions were favorable for skiers and snow boarders as well as offering varied terrain preferences. Tara led the way on the first day taking the group on an exciting tree run! Snow conditions were excellent, with several powder days, including 24" of new snow on December 31.

The Crystal Inn provided a comfortable home base as usual with walking access to eateries and downtown sites. A new Mexican restaurant located a block from the hotel received rave reviews and was visited more than once along with a few regular favorites like Red Rock Brewing and the Market Street Grill. Downtown Salt Lake City's largest New Year's Eve event, "Last Hurrah!" was attended by some of the group, who reported it was a nice celebration.

Despite numerous news reports of airline cancellations, the group all got out to Salt Lake City and back home without significant problems, winding up a great week of snow sports and providing a good kickoff for the 2021-2022 season!
