Snowshoe Trip

Feb 1-5, 2026

Ten LSSC skiers drove to Snowshoe, WV admiring the familiar snow-covered mountain views along the way. We settled into the spacious rental house with a glorious sunset from the back deck. Reviewing the trail map helped planned the options for the 3 ski days. Snowshoe hosted a ski race Monday on Cupp Run, so we waited to ski the Western Territory on the 2nd and 3rd day. Brian and Charles triumphed down double-black diamond Lower Shay's Revenge for the first time and said "once is enough". (At least for this trip.) Snow conditions were awesome and 3-4 inches of fresh snow fell on Tuesday. Since the driveway was steep, it required a call for a truck plow to move snow out of the way on Wednesday. Extra shoveling helped clear the way on one side on the loop. We had a roaring fire every evening in the double-sided fireplace while enjoying dinner followed by a fun card game. There was one "booboo" elbow injury sustained while walking down a slick icy driveway toward a ski lift that necessitated a visit to the local medical clinic at the bottom of Snowshoe Mountain. Overall, a great time was had by all and we are looking forward to returning next year.

What is the OVSC?

The Ohio Valley Ski Council (OVSC) is your gateway to thrilling winter sports adventures and year-round global travel, uniting ski and winter sports enthusiasts across Ohio, Kentucky, Indiana, and West Virginia. Representing a network of member clubs throughout this region, OVSC brings together like-minded individuals who share a passion for snow skiing, snowboarding, and exploring new destinations.

As part of the National Ski Council Federal (NSCF), OVSC connects our member clubs with the latest in winter sports—from the top ski resorts and cutting-edge equipment to expert tour operators and essential travel information. Our council includes a dedicated team of executive officers, trip and race directors, and representatives from each of our member clubs, all working together to offer skiing and racing opportunities.

Each year, OVSC organizes a series of unforgettable trips that are open to all members of our affiliated clubs. These include North American ski adventures, an international trip that blends skiing with cultural exploration, and additional non-ski travel experiences. On top of that, each of our member clubs curate its own lineup of exhilarating ski trips, sports activities, and social events, ensuring there's always something exciting on the horizon.

This season, we are headed to:

- Park City, UT
- River cruise on the Danube, and Prague
- Yacht cruise of the Dalmation Coast and Greece
- Alta Badia, Italy (skiing) and Amalfi Coast tour
- River cruise of Vietnam, Cambodia and the Mekong, with optional Hanoi and Halong Bay

Go to the OVSC website, www.ovsc.org, for more opportunities and updates.

One of the highlights of the year is our annual OVSC Summit, held in late spring. This event is a wonderful opportunity for all our clubs to come together, learn about the latest in skiing and snowboarding, connect with equipment and snow sports destination experts, and enjoy the unique charm of the Summit's location. It's also a chance to reconnect with old friends and make new ones.

The National Ski Council Federation's mission statement:

"Our mission is to strengthen councils, with industry participation, so they may better serve member clubs through communication, education and benefits, and to influence issues relevant to snowsports."

By being a member of an OVSC club, you are entitled to the many benefits the NSCF offers. There are over 100 vendors, resorts, insurance, car rentals and more listed.

They also offer education on several subjects. This summer, they are having zoom meetings on the ever-changing landscape of group travel, and another on travel insurance.
