## LSSC TRIP TO PARK CITY

February 25 – March 4, 2017

### TRIP REFELCTIONS by Terry Esrael

Longtime LSSC member, Terry shares his personal experiences of the trip.

A week of Utah's dry powder snow was enough but not enough. I try for one western ski trip each year. After skiing Park City, Deer Valley and Snowbird the last week of February I longed for another week this year.

Our LSSC band of 14 enjoyed mostly blue skies, slopes that were not crowded; we had fresh snow early in our week and were treated to wonderful western ski town restaurants.

My personal highlights from the week in Utah include a reunion with one of my former students, Bob, from my Wisconsin high school teaching career. I had not seen him in over forty years but we have been in touch through Facebook. We arranged for a ski day together and enjoyed Deer Valley runs. We tried the NASTAR course there and both of us scored bronze medals. . Bob is a clergyman in SLC and gets a chance to ski the area resorts several times a season. However, this was also his first time at Deer Valley and he had never done NASTAR We also talked Barb Anderson into trying the race course. Although it was her first time ever, she earned a medal!!

Trip Leader Jan Clark presented a club LSSC pole flag to Bob for his times on the race course and made him an honorary club member for the day. Along with Dave Martin, we all celebrated with local brews on the deck after the lifts closed.

While no longer skiing due to several knee surgeries, Jan enjoyed visits, lunch and shopping in PC with family members living in SLC. They drove up for a day of family reunion and fun.

While I loved the extra quality of Deer Valley that was so evident in lodge facilities, my favorite of the three resorts we skied would be Park City. PC is vast, the large number of blue runs suited my needs this trip.

Grooming was good at PC. I felt Snowbird runs were not as well maintained. All resorts had plenty of runs that were not at all crowded. Lunch on the mountain was, as always at ski resorts, rather expensive for soup or anything you might select. But the soups were very good and lots of choices.

Dan Geiger, Dave Martin, I and the Andersons enjoyed the tours of Snowbird provided by the Mountain Hosts/Ambassadors. They provide a good way to learn about the resort and get introduced to interesting runs and short cut routes on the mountains.

I want to give a shout out to the shuttle and transportation (all free) system available in Park City. Running frequently to all resorts and downtown, the busses were warm, clean, seldom crowded and driven by friendly helpful staff.
