We are joining the OVSC trip to Whitefish Montana to ski at [Whitefish Mountain Resort](#). It is one of the largest ski areas in the nation. Famous for snow laden trees called snow ghosts, the 3,000 acres of groomers, glades, bowls and steeps are covered in 300-inches of powder annually. The ski resort is consistently ranked one of the top resorts in the nation. Just this winter Whitefish was named number 11 overall by SKI Magazine readers in this year's annual Resort Guide, the best ranking ever for the Montana ski resort.

Whitefish Mountain Resort Statistics:

- * 300 inches of annual snowfall
- * 3000 acres open
- * Top Elevation 6817 feet, base 4464 feet

Beyond world-class skiing, other winter adventures beckon with options of Glacier National Park tours, dog sledding, sleigh rides, cross-country skiing, ice skating, and snowshoeing. Plus, the shops and dining downtown along the covered Central Avenue —complete with theater, art galleries and live music — offer guests surprising sophistication in this genuine mountain town on the edge of vast wilderness.

Snow Sport Specifics in Brief!!

Sölden is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife.

This **Alpine Ski World Cup** venue ticks plenty of boxes: it has excellent snow reliability on two glaciers allowing it to stay open from October to May; an extensive network of slopes (145km) with an equally impressive lift system; more than 30 mountain huts in which to quench the thirst; a lively après-ski scene in town with an endless choice of party joints; and is located just an hour’s drive from Innsbruck.

Sölden’s **terrain** spans two glaciers (Rettenbach and Tiefenbach) and three well-connected mountains offering varied skiing for all levels. The ski area is particularly well suited to confident intermediates and advanced skiers.

Beginners will find gentle runs at Innerwald and Giggijoch while intermediates have varied blue and red pistes throughout the ski area. From the Gaislachkogel (3058m) there are more challenging ski routes as well as lots of off-piste opportunities.

Sölden (1377m) is not a particularly high town but its slopes reach an altitude of 3250 m. In fact it offers three mountain peaks above 3,000m called the **BIG3**: Gaislachkogel (3048m), Tiefenbachkogel (3250m) and Schwarze Schneide (3340m). Sölden’s peaks are so spectacular they have actually been chosen as one of the locations for the new James Bond movie *Spectre* due to be filmed this winter. Enjoy breathtaking views from the summit, or even lunch in the new **Ice Q** restaurant on the Gaislachkogel Peak (3048m), before taking one of the long runs back to town. The ski route from Schwarze Schneide at the Rettenbach Glacier down to Sölden is the region’s longest ski trail at 15km with nearly 2,000m change in altitude.

Pricing is only \$3,049 for all this! Remember that pricing is not final until ticketing due to fluctuations in currency rates and airline surcharges/taxes.

SÖLDEN, AUSTRIA

March 11 – 19, 2016

Sölden is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife. The skiing in Sölden is split into three main areas: the Gaislachkogel area; the Giggijoch area; and the glaciers. A route publicized by the tourist office - the BIG3 Rallye - describes a way to get around all the areas in one day (the BIG3 refers to the three peaks of over 3000 meters that it is possible to visit along the way)

For apres-ski, Sölden’s main strip is filled with buzzing bars, clubs and restaurants. The vibrant party atmosphere attracts a young, lively crowd. There’s more than 80 venues to choose from. Between 3pm and 7pm the village turns into a party location with skiers gathering at the many open-air bars along the main road. Apres ski kicks-off in the mountain huts where there’s live music Friday afternoons, then back in town the party continues at a whole host of bars and nightclubs.

Pristine powder snow slopes, bizarre rock formations, snow-topped peaks, mighty glacier snouts, seclusion. This picture-book winter wonderland is truly incredible. The highest peaks seem to be so close. Only a few more steps and you reach the top: soon you will enjoy your personal first line on untouched powder or corn snow slopes. Passionate ski mountaineers – and all those who want to try it in the future – can indulge to the full in the magic high Alpine winter world of the upper Ötztal Valley. There are some of the finest "hautes routes" in the Eastern Alps. Special recommendation: the classic "Vent Loop Trail" – featuring Tirol's most attractive peaks higher than three thousand meters, including Wildspitze summit! A state of the art snowmaking system guarantees that the slope is completely prepared and groomed.

LSSC has taken them all over the world to ski. Their favorite place is where ever there is snow! However, they are partial to Jackson Hole.

Their main activity in the club is RACING! Lady Di is our current Racing Director. She has held this position for several years. She has also been the Ohio Valley Ski Council Racing Director from 2010-2012.

In NASTAR ski racing, Mark is the current NATIONAL Bronze holder - Silver Division in Slalom. Lady Di is the current NATIONAL CHAMPION for Platinum Division GS and Silver Division Slalom.

In addition to racing, they are active in many ski club functions. For example, they have provided creative and beautiful, award winning entries in the decoration contest at Picnic at the Pops.

They have two adult daughters, Lauren and Karah, who have been members of LSSC since they were born.

Other hobbies that they enjoy are motorcycle riding, hiking, and serving others through Bill Glass Champions for Life - Behind The Walls prison outreach and mission trips both at home and abroad.
