# Whitefish Montana

January 16 – 23, 2016

## *Skiing*

We are joining the OVSC trip to Whitefish Montana to ski at [Whitefish Mountain Resort](#). It is one of the largest ski areas in the nation. Famous for snow laden trees called snow ghosts, the 3,000 acres of groomers, glades, bowls and steeps are covered in 300-inches of powder annually. The ski resort is consistently ranked one of the top resorts in the nation. Just this winter Whitefish was named number 11 overall by SKI Magazine readers in this year's annual Resort Guide, the best ranking ever for the Montana ski resort.

## *Whitefish Mountain Resort Statistics:*

- \* 300 inches of annual snowfall
- \* 3000 acres open
- \* Top Elevation 6817 feet, base 4464 feet
- \* 6.0% expert, 43.0% advanced, 38.0% intermediate, 13.0% beginner

Beyond world-class skiing, other winter adventures beckon with options of Glacier National Park tours, dog sledding, sleigh rides, cross-country skiing, ice skating, and snowshoeing. Plus, the shops and dining downtown along the covered Central Avenue —complete with theater, art galleries and live music — offer guests surprising sophistication in this genuine mountain town on the edge of vast wilderness.

## *Lodging Information:*

### **Morning Eagle**

We will be staying at Morning Eagle Lodge, located in the heart of Whitefish Mountain Village; it is Ski In – Ski Out and just steps away from all the shops and services. Built with Classic Montana ranch and National Park Lodge architecture, the common areas include a two-story lobby with large stone fireplace /lounge area. Guests will have use of a heated, secure underground parking garage and ski locker. Amenities include Roof Top Hot Tub, Fitness Facilities and some units with a Fireplace, washer and dryer.

## Snow Sport Specifics in Brief!!

Sölden is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife.

This **Alpine Ski World Cup** venue ticks plenty of boxes: it has excellent snow reliability on two glaciers allowing it to stay open from October to May; an extensive network of slopes (145km) with an equally impressive lift system; more than 30 mountain huts in which to quench the thirst; a lively après-ski scene in town with an endless choice of party joints; and is located just an hour’s drive from Innsbruck.

Sölden’s **terrain** spans two glaciers (Rettenbach and Tiefenbach) and three well-connected mountains offering varied skiing for all levels. The ski area is particularly well suited to confident intermediates and advanced skiers.

Beginners will find gentle runs at Innerwald and Giggijoch while intermediates have varied blue and red pistes throughout the ski area. From the Gaislachkogel (3058m) there are more challenging ski routes as well as lots of off-piste opportunities.

Sölden (1377m) is not a particularly high town but its slopes reach an altitude of 3250 m. In fact it offers three mountain peaks above 3,000m called the **BIG3**: Gaislachkogel (3048m), Tiefenbachkogel (3250m) and Schwarze Schneide (3340m). Sölden’s peaks are so spectacular they have actually been chosen as one of the locations for the new James Bond movie *Spectre* due to be filmed this winter. Enjoy breathtaking views from the summit, or even lunch in the new **Ice Q** restaurant on the Gaislachkogel Peak (3048m), before taking one of the long runs back to town. The ski route from Schwarze Schneide at the Rettenbach Glacier down to Sölden is the region’s longest ski trail at 15km with nearly 2,000m change in altitude.

\*\*\*\*\*

Pricing is only \$3,049 for all this! Remember that pricing is not final until ticketing due to fluctuations in currency rates and airline surcharges/taxes.

## SÖLDEN, AUSTRIA

March 11 – 19, 2016

**Sölden** is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife. The skiing in Sölden is split into three main areas: the Gaislachkogel area; the Giggijoch area; and the glaciers. A route publicized by the tourist office - the BIG3 Rallye - describes a way to get around all the areas in one day (the BIG3 refers to the three peaks of over 3000 meters that it is possible to visit along the way)

For apres-ski, Sölden’s main strip is filled with buzzing bars, clubs and restaurants. The vibrant party atmosphere attracts a young, lively crowd. There’s more than 80 venues to choose from. Between 3pm and 7pm the village turns into a party location with skiers gathering at the many open-air bars along the main road. Apres ski kicks-off in the mountain huts where there’s live music Friday afternoons, then back in town the party continues at a whole host of bars and nightclubs.
